Telford & Wrekin CBN

Badminton part of 'Have a Go' Campaign

Telford & Wrekin Council, Telford Primary Care Trust (NHS) & Shropshire's County Sports Partnership Energize STW have pooled resources to set up an adult beginners/returners project in Telford & Wrekin to encourage 18 – 45 year olds in the borough to take part in more sport. Because this fits so well with the 'No Strings' badminton programme the project leaders have agreed to support two further 'No Strings' sessions in Telford.

After School Coaching Gets Underway

In an initiative funded by the Phoenix and Madeley schools sports partnerships in Telford 4 schools are now receiving regular weekly sessions from our coaches. Matt Appleby and Tom Priestley have started their sessions in Abraham Darby, Madeley Academy, Charlton and Blessed Robert Johnson schools. We will continue to link local clubs and the Shropshire Junior County B.C. to these schools with a view to encouraging more young people to take up badminton on a regular basis.

Shropshire Junior County Badminton Club Fundraising for the future

The Shropshire Junior County Badminton Club recently organised a sponsored walk up the Wrekin to help subsidise the cost of the team kit for the coming season. Each player was encouraged to raise £100 in order to be able to buy the full set of Yonex kit which includes a tracksuit, shirts and shorts or skirt supplied by Maurice Robinson Sports of Birmingham. A special mention goes to Alex and Mick Osbourne who raised £300 between them and the whole team raised £1600 in total. All those present are pictured.
